

July 10

Dear Helen, Elmer,

I thought I'd write a little note to thank you for the books and the set of bridge cards - both Jim & I would really like to learn to play and it would be so much fun to find a few other couples here that we could join.

We have finally received our household goods from Corvallis and our living room has really improved! I'll take a few pictures soon so you can see our place.

How are Mary & Mike doing? I imagine they are pretty busy. How is Gail getting along? I really hope

she can go with her husband as
soon as his 10 weeks training is over.
Even though it might be expensive
I know it's worth it.

Well, guess I'll have to get busy -
Jim will probably write again soon.
He is really enjoying his work I
think - he is starting on some research
in radar - but I'd have to tell you
much better than I can.

Much love,

Vickie & Jim
